Who else is using the platform where you work?

Do you want to get a sense of which organizations are active in a country you are working in? Take a look at this dashboard. The data is based on site information that those organizations have chosen to make publicly visible.

Custom dashboard layouts

Thanks to funding from World Vision we have developed an extensive set of style customization options which you can use to adjust the way your dashboards look. Go to the Layout tab of a dashboard you manage to explore these options.

The USAID STAWI MIS Project in Kenya's ASAL Regions

As part of USAID STAWI, mWater is creating tailored MIS for nine counties in Kenya by centralizing water infrastructure data, conducting comprehensive surveys, and collaborating with local stakeholders to enhance water service delivery and data management.

CHANGER LE MOT DE PASSE

Vous pouvez maintenant cliquer sur le bouton « Change Password ». La fenêtre modale s'ouvrira avec le champ pour le changement de mot de passe.

The screenshot shows the mWater user interface. At the top, there is a navigation bar with the mWater logo and links for Sites, Surveys, Visualizations, Manage, and Indicators. The main section is titled 'My Account' and includes a link to 'mWater Terms of service'. Below this, there are five rows of user information, each with an 'Edit' button on the right:

- Name:** Alexandro Disla. Subtext: 'Your Given and Family Names are collected to help your organization's administrators add you to the right surveys and v'.
- Username:** alexandro.disla. Subtext: 'Your username is what identifies you in the system and gets added to surveys and visualizations.'
- Email:** alexandro.disla@hanwash.org. Subtext: 'mWater uses your email to allow you to reset your password and to contact you if you submit problem reports.'
- Age confirmed:** Yes. Subtext: 'mWater verifies users are over 13 years old to comply with the Children's Online Privacy Protection act (1998).'
- Email verified:** Yes. Subtext: 'mWater verifies your email address to be able to respond to your problem reports.'

Below the account information, there is a blue button labeled 'Change Password', which is highlighted by an orange box. An orange arrow points from the text box above to this button. Further down, there is an 'Email Notifications' section with a checked checkbox for 'Receive high-priority emails when new administrators are added to an organisation you that you are an admin of.' Below that is a 'Data' section with a paragraph of text about privacy policy and a 'View' button.
